

11 February 1976

Dear General Walters:

STAT

I have informed that you do not wish the lecture notes to be distributed.

By all means, have the lamps sent to me. I will hold them here for you, unless you prefer that I have them remailed to Washington.

I expect to be visiting various Army units during the first and last weeks of March, but hope I will be here to see you.

STAT

Bon courage,

25X1

A

Lieutenant General Vernon A. Walters, USA
P.O. Box 8084
South West Station
Washington, D. C. 20024
